

2010 Fall Membership Promotion

Play golf TODAY, and pay only Social Dues through February 2011!

Golf during the Fall at Glen Echo, amid the majestic oak trees as they turn to a rainbow of colors, is one of the best times of the year. The cool, crisp air surrounds you as you debate whether to wear your sweater, windbreaker, or stay in short sleeves! Yes, there is no better time to enjoy golf at Glen Echo than during the Autumn season.

You can become part of this wonderful experience. Join between August 15 and December 1, 2010 and pay only Social dues through the end of February 2011. In addition, we'll give you a locker and store your bag through the end of the year.

This program does require a commitment through June 2012, however, you will continue to receive substantially reduced dues through that time!
